A very golden scoop!

Kim and John Sekulski are owners of Rita's Water Ice at 1020 Maple Ave. in Glen Rock. Jim Rudolph, CEO of Rita's Water Ice Franchise Company, at left, recently presented the couple with the Golden Scoop Award for Operations Excellence. The store came in at the top of a list of approximately 500 stores based on scores for customer service and operations. The couple was honored at the company's annual business meeting in Atlantic City. Kim Sekulski said neither she nor her husband had been notified prior to the announcement at the convention. "We were shocked and honored when our names were announced," she said. "We attribute this honor mainly to our managers and treat team members who do an excellent job every day."
